ALLEGATIONS

Note: Complaint Log type is classified as CR – Sworn Affidavit not required.

The Complainant alleges on 13 October 11, about 2110 hours, at [REDACTED] the accused Officers in the course of investigating a traffic crash recorded under [REDACTED]

1. Failed to write citations
2. Failed to arrest an offender who was subsequently found to be Driving under the Influence (DUI).
3. Failed to tow the driver's vehicle.
4. Failed to notify the Major Accidents Investigation Unit (MAIU) of a serious injury accident which resulted in the death of a passenger.

SUMMARY

On receiving this matter for investigation, the undersigned reviewed the documents provided by the complainant. These included the original Traffic crash report, MAIU notification sheet, and a Supplementary Report authored by Det. Reno Baiocchi #21221. These note one of the three persons in the vehicle which was involved in the accident (████████) F/1/76) was in the passenger front seat and sustained injuries. She subsequently died of her injuries on 14 October 11.

The undersigned obtained Chicago Fire Department ambulance records relative to the treatment of ██████████. These records show she was responsive and alert on Ambulance #49's arrival on the scene. According to the CFD run sheet, she was speaking to the paramedics assigned to her case. ██████████ was transported to Mt. Sinai Hospital, where she passed the next day.

A copy of case report #222 October 11 was obtained from the Cook County Medical Examiner's Office. This report indicates that "...alcohol was not believed to be involved." The copy of the driver Raymond Sutton's CFD run sheet indicated nothing to the effect of alcohol being present.

A copy of the Cook County Medical Examiner Report of Postmortem Examination for ██████████ was obtained. It concluded the cause of death to be multiple injuries due to motor vehicle striking fixed object. It should be noted no internal examination of the body was performed.

SUMMARY – Page Two

The driver in this matter ([REDACTED]) was transported to [REDACTED] for treatment. While being treated, [REDACTED] was found to have the presence of alcohol in his system. The undersigned conducted a PCAD search for the timeframe of 2200 hours on 13 October 11 to 0700 hours on 14 October 11. Although there were several Police events occurring during this timeframe, none were a notification for [REDACTED]

Based on the available evidence, including Ambulance 49's report on the scene, there was nothing indicating a serious personal injury which would cause the accused to make a notification to the MAIU. It is therefore requested this matter be classified as **EXONERATED**.
